## OFFICE ORDER

# Institution Industry Cell

### Objectives:

- To evolve educational programmers which are consistent with the broad requirements of the industry and which can give rise to engineering personnel capable of coping-up with the accelerating place of the technological development.
- To create adequate facilities of updating knowledge of professional engineers and technologists to meet growths and developmental needs of the industry.
- The industry-institute interaction would accrue mutual benefits when a symbiotic relationship is developed between the two systems. The ultimate aim of this relationship will be the creation of confidence in industry by the institute which would result industries involving voluntarily the institute at various stages of its development.

### Road Map:

In keeping an eye on industrial fast changing scenario, following action plan has been prepared to fulfill the aim of Industry Institute Interaction into achievements:

- Establishing / continuing liaison between faculty in the institute, representatives from the industries and representatives from organizations involved in the promotion of industrial development in the region through organizing regular group meeting for mutual benefits to both the system i.e. industry and institute.
- Identifying and preparing /updating a list of top executives and technologists from various industries /establishments in the region and working out a system of involving them to address the faculty and students.
- Preparing /updating a comprehensive directory of technology experts in different fields of expertise and know-how and forging continuing links with them through various means of involvement like talks, guest's lectures, research collaboration, student's project guidance's seminars, etc.
